

## **Renewal of Registered doctors by Karnataka Medical Council**

### **SPECIAL CONSIDERATIONS:-**

1. **A doctor registered with Karnataka Medical Council working abroad for many years and has no plans to come back to Karnataka,** for such doctors K.M.C. renewal is not necessary.
2. **A doctor registered with K.M.C. staying abroad for many years and has plans to come back to Karnataka** in near future, such doctors have to come to K.M.C. and revoke their registration when they start practising in Karnataka.
3. **A doctor registered with K.M.C. and staying abroad from 2011 onwards,** such doctors have to come to K.M.C. and revoke their registration when they start practising in Karnataka.
4. **Any Non Resident Indian (NRI) practising in Karnataka from 2011 onwards.** Such doctors are required to produce the necessary credit hours for renewal for their registration.
5. **A doctor registered with K.M.C. working in India and abroad intermittently (From 2011 onwards).** Such doctors need to accumulate the necessary credit hours for the period working in Karnataka. For the period of stay abroad they have to produce proof of residential stay abroad by means of their Passport and Visa stamping.

### **SHORTAGE OF CREDIT HOURS:-**

1. The period considered for credit hours by Medical Council of India is 5 years from May 2011 to April 2016. Hence, a minimum of 30 credit hours is compulsory for renewal of registration. However K.M.C. started awarding credit hours from January 2013. Therefore 21 credit hours from January 2013 will also be considered for renewal.
2. **A doctor registered with K.M.C. and who has not accumulated any credit hours.** Within an extended period of 6 months i.e., by 31<sup>st</sup> October 2016, the doctor has to accumulate the necessary 30 credit hours with a penalty of Rs.500/- month. Eg:- A Doctor accumulates 30 credit hours by 31<sup>st</sup> October 2016 then he/she is eligible for renewal of registration with a penalty of Rs.3000/-.

However, if the registered practitioner accumulates necessary credit hours before stipulated time, he/she is eligible for renewal and no further penalty will be applicable.

Eg:- Doctor accumulates 30 credit hours by 31<sup>st</sup> July, then he / she is eligible for renewal of registration with a penalty of Rs.1500/-

3. A doctor registered with K.M.C. has shortage of few credit hours.  
[Same as above no.(2)]
