Sub:- Implementation of Nurses Registration and Tracking System (NRTS)-Virtual Training for  
Nursing Institution in the State of Karnataka -reg.

Dear Madam,

This has reference to the correspondence and the meeting held on 04.01.2022 regarding  
above mentioned subject. As decided in the meeting to begin with, it is proposed to impart the  
training to all the Nursing Institutions (Schools/Colleges) in using the NRTS in particular  
Primary Registration to be done for passing out Nursing Students from their institutions. The  
Karnataka State is having more number of Nursing Institutions, therefore it is proposed to  
conduct the virtual training program of two hours Duration for each batch in two batches. You  
are requested to bifurcate the institutions as per your convenience as the maximum slots  
available in the zoom training is 280. The proposed dates for training programme are 11th and  
12th of January 2022 between 1100 hrs to 1300 hrs on both the dates.

Accordingly a draft letter from Karnataka State Nursing Council to All the Institutions is  
enclosed. You are requested to send this communication to all the Nursing Institution in  
Karnataka States for participating in the training programme.

Encls:-As above

This issues with the approval of Competent Authority.
